

REMARKS

This supplemental amendment is being filed in furtherance of the amendment previously filed on December 18, 2007, which was filed in response to the Office Action having a mailing date of September 19, 2007. In the December 18, 2007 amendment, various claims were rewritten to independent form, amended, and canceled, and new claims 32-35 were added.

Upon further review of the claims that were filed on December 18, 2007, it was discovered that claim 5 had a typographical/grammatical error. Specifically, the word "provide" was inadvertently omitted between the words "alternately" and "said first logic state." Accordingly, this supplemental amendment is being filed to make the appropriate corrections to claim 5 as shown above.

The claims as presented herein incorporate the rewriting/amendments/cancellations as previously presented in the December 18, 2007 amendment. No new matter has been added herein. With this supplemental amendment, claims 4-13, 17-21, 23-28, and 30-35 are pending in the application.

Because the amendment of December 18, 2007 was timely filed and because this present filing merely supplements that previously filed amendment, it is believed that a fee is not required for this present filing. However, if it is determined that a fee is required, the Director is authorized to charge any additional fees due by way of this supplemental amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are believed to be allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
